DIY Bunting

Liven up any fundraising event with our downloadable DIY Bunting. Simply follow these simple steps to get your bunting up and running!

- 1 Print or photocopy as many sheets as you need. (If you require double sided bunting, you will need more print outs.)
- 2 Cut carefully around the dashed lines.
- 3 If you require double sided bunting - now is the time to stick your sides together.
- 4 Using a hole punch, make two holes in the top of each flag.
- 5 Connect your flags together using string or ribbon. (Handy hint - tie knots in your string before and after each flag, to help hold them in place.)

Now hang your bunting for all to see!
